

Going to Story Time at Goodlettsville Library

When I come to Story Time, if I would like, I can pick a stool out from under the bench to sit on. I can also sit on the floor. I will try to sit quietly, to watch the show. Ms. Jaime is the performer. When she sings the Good Morning song, I can shake her hand if I want. She sings, dances, and reads stories. If I would like to get up and dance with her, I can. When we do our goodbye song I can sign the words, using my hands. After story time, if I want to craft, I will try to wait my turn to receive the craft bag. I can sit on the floor or on a stool or on the bench to craft.
