

Visiting the Goodlettsville Library

When I visit the library I will try to talk quietly. I will try to walk while I am in the library. When the library is busy, sometimes there are a lot of children playing. There are tables for coloring and a table for LEGO bricks and a table for playing with toys. I will try to wait my turn if someone is using something I want to play with.

When I need help finding something, I can ask the librarian at the desk. The librarian can help me find books. The librarian can also help me find DVDs and audiobooks. The librarian can also help me check out books and DVDs.
