

Going to Story Time at the Madison Library

When it is time for story time, the librarian will come to the story room and welcome everyone inside. I will try to walk into the story room and sit quietly. There will be pictures and words on a screen so I can follow along. We will sing the hello song and dance to music. I can sing and dance with the other children, if I want. The librarian will read a book and tell stories on the flannel board. I will try to stay seated when she reads or tell stories so other children can see. I will try to listen while the librarian is talking. When story time is almost over we will sing a goodbye song. If I want to I can make a craft at the end to take home with me.
