

Visiting the Madison Library

When I visit the library, I can read books. I can play on the computers. I can play with the toys in the play area. I will try to play quietly. Other children might want to play with the toys. I will try to share the toys. I will try to wait my turn if someone is using something that I want to play with. If I clean up my toys when I am done playing, the librarian will give me a reward at the desk!

If I need help finding something, I can ask the librarian at the desk. The librarian can help me find books, DVDs, and audiobooks. Sometimes, the book or movie I want is not there. The librarian can also help me find another book or movie I might like and can put the item I want on a waiting list so I can take it home another day.
