

Going to Story Time at the Main Library

Many people like going to Story Time. I will try to sit quietly on the floor or on one of the benches to watch the show. The Professor, Mary Mary, and Library Pete are the performers. They juggle, sing, draw, and read stories.

Tommy Dog, JJ Lamb, Cedric the Dragon, and Spanish Fox are their puppet friends. When they sing the rainbow song, they ask children what their favorite color is. If I want to let them know my favorite color, I will raise my hand and wait for them to call on me.

There is a big rope in front of the stage. They ask everyone to sit behind the rope except during the song, "What a Wonderful World." When they sing that song, I can go sit on the edge of the stage with the other children if that is something I want to do.
