

Going to Story Time at the Goodlettsville Library

Sometimes when I visit the library, I can go to Story Time. Lots of people like going to Story Time. My grown-up or I can check the calendar on the library website to find out about Story Time or I can get a schedule at the library.

When we get to Story Time, I will try to walk into the story room and sit quietly. I can take a seat on a chair or on the carpet. Most of the time, it is the same librarian every week. There might be a different person some days. We go over what to expect during Story Time. There will be pictures and words on a screen so I can follow along. We will sing songs and the librarian will read stories. The librarian might use a puppet during Story Time. I will try to stay seated when she reads or tells stories so other children can see. I will try to listen while the librarian is talking. When we sing songs, I can stand up and sing if I want to or move my hands along with the song. At the end of Story Time there will be a craft or activity I can do if I want to. I will try to help clean up after myself when I am finished.
