

Nashville Area Low-Cost Internet Plans

Provider Program	FCC Lifeline	Comcast/Xfinity Internet Essentials	AT&T Access	Spectrum Internet Assist	Verizon Forward
Description	Lifeline is an FCC program that provides subscribers a discount on qualifying monthly telephone service, broadband Internet service, or bundled voice-broadband packages	Internet Essentials provides affordable home Internet for qualifying households - as well as low-cost computers, free WiFi hotspots, and free Internet training.	Access from AT&T is a low-cost home internet service available to eligible limited income AT&T Internet and AT&T Fiber households.	Spectrum Internet Assist is an affordable, reliable Internet option for low-income households. <i>The service area is limited within the Metro Davidson County area.</i>	Verizon Forward provides reduced cost internet to eligible new or existing customers. Qualifying customers receive a service discount up to \$20/month on their Fios, 5G Home or LTE Home Internet plan price.
Cost	discount up to \$9.25 per month	\$9.95 /mo for up to 50Mbps, or \$29.95 /mo for up to 100Mbps	standard \$30 / mo. Speeds on AT&T Internet depend on the maximum speed available at your location. Lower speeds with limited data cost less.	To check availability and cost: https://www.spectrum.com/internet/spectrum-internet-assist	The Verizon Forward discount is dynamic up to \$20/mo to reduce certain plan prices to as low as \$19.99/mo.
Qualifications	You can get Lifeline if your income is 135% or less than the Federal Poverty Guidelines or you or someone in your household participates in SNAP, SSI, Medicaid, Federal Public Housing Assistance, Veterans Pension or Survivor Benefits.	You may qualify if you: 1) Participate in any of these assistance programs- Medicaid, Public Housing Assistance, SNAP, TANF, SSI, NSLP/Head Start, LIHEAP, WIC, Federal Pell Grant, VA Pension, Tribal Assistance. 2) Have not had Xfinity Internet in the last 90 days, and 3) Have no outstanding debt on any Comcast account that is less than one year old.	Service available to eligible limited income AT&T Internet and AT&T Fiber households who participate in Supplemental Nutrition Assistance Program (SNAP), National School Lunch Program, or with a household income below 200% of federal poverty guidelines.	A household member must be receiving one of these assistance programs: 1) National School Lunch Program (NSLP), 2) Community Eligibility Provision (CEP) of the NSLP, or 3) Supplemental Security Income (for applicants age 65+ only).	Starting 2.8.2024, Fios, 5G Home and LTE Home internet customers may be eligible for Verizon Forward if they meet at least one of the criteria below: 1)Transfer an active Affordable Connectivity Program (ACP) benefit to Verizon before the ACP program ends. 2)Received a Federal Pell Grant within a year prior to application. 3)Qualified for one of these assistance programs within 180 days prior to application: Lifeline, SNAP, Medicaid, WIC or others.
