LIBRARY LAUNCHES EIGHTH PODCAST

Latest Addition Adds to an Eclectic Mix

NASHVILLE, Tenn. — Nashville's tinkerers, problem solvers, innovators, and inventors have a new, free podcast to accompany them on the path toward their next great thing.

[Business As Usual](#) is a dose of practical knowledge, recommendations for reliable resources, and encouragement from experts with the Nashville Entrepreneur Center, the Nashville Business Incubation Center, the Small Business Administration, and more.

The Library-produced podcast is an extension of the popular [NPL Means Business](#), a free initiative for entrepreneurs and small business owners.

Available on Apple Podcasts, Pocket Casts, Spotify, and YouTube, Business As Usual is the latest in a roster of NPL podcasts that are finding audiences in Nashville:

[Overdue Adventures](#), another recent addition, is a first-ever actual-play series starring NPL employees with a deep talent for bringing roleplaying games to life—including the magic of fairytales, ghost stories and mystery novels during this season's "Ghosts of Saltmarsh" series.

Meanwhile, guests of NPL's [The Spark](#) podcast on art and creativity include local creators from within and beyond the Library, including ceramists, comedians, and everyone in between.

While NPL's podcasts are a free opportunity to explore everything from ghost stories to local history, [audiobooks](#), [vinyl records](#), and [streaming music](#) round out the listening experience available to everyone in Nashville with a [free NPL card](#).
