Going to Big Kids Club at Green Hills Library

I can go to Big Kids Club if I am 5, 6, 7, 8, or 9 years old. If I want, my grown-up can come in the room with me or they can sit outside the room.

In Big Kids’ Club, I can sit in a chair and eat a snack that Miss Terri gives me. If I don’t like the snack, I do not have to eat it. I can tell Miss Terri I do not want it. Miss Terri will read a story. I will try to listen to the story, and I will try to raise my hand if I have a question or I would like to say something. After everyone finishes their snack and Miss Terri finishes the story, we will do an activity. Miss Terri will give me the supplies I need. I will try to listen to instructions and try to be patient if I need help. When I am finished with the activity, I can help by cleaning up my space and taking my work home with me.

Sometimes Big Kids Club can be crowded and noisy. If it is too loud, I can leave the Story Room if I want. I can come back in the room if I want to.
